SEPTEMBER - NOVEMBER

It is necessary and expected that every family participate at football games. Specific dates/times and jobs available will be provided at the first parent meeting, so please bring your calendars. Please let us know if there are any extenuating circumstances which would prevent your family from participating at the football games. We have over 100 band/dance families and approximately 50 positions/shifts that need to be filled for game night and there are 10 games nights this year. That's 500 individual shifts, so each family will be required to sign-up for approximately 5 shifts.

FOOTBALL GAMES *(Please check the jobs where you can help)*

- _____ **FOOD PREP** - Get food ready for the games and deliver and/or pick up and deliver beverages.
- _____ **CONCESSIONS** - Sell concessions at all football games, which now includes both Skyview and all other district teams.
- _____ **FOOTBALL CHAPERONES** - Ride the bus to and from SHS, help with plumes, attendance, band-aids, etc. Chaperones are provided transportation, but must pay their own admission.
- _____ **PIT CREW** - Help get instruments in the "pit" (the non-marching percussion instruments) on and off the field during games.

Skyview Band/Dance participates in about 5 competitions every year at a variety of locations throughout the area. This is the highlight of the band season. Our band is nationally recognized for being one of the best bands in the country. In our own circuit we are known for our highly stylized and fun-to-watch shows. By volunteering to help at competitions you not only show support to the kids but get an opportunity to watch other bands perform.
